# Trainings

- **Data Science**

HPE (Online)

In this training I got to learn about the Big Data and Data Science from scratch to a pretty good level that i was able to achieve the HPE certificate with an aggregate of 8.9

# Projects

## RSSWLD NGO

I have been an executive member of Ranganathan Society for Social Welfare and Library Development since 2018. Through this NGO, I have been able to reach out to poor children, rag pickers and many more socially backward people of our society. It has been my pleasure that I could contribute for the welfare of our country in one way. There's a long road ahead and I believe this contribution will last longer.
